Club Membership Waiver

"I know that running and volunteering to work in club races are potentially hazardous activities. I should not enter and run in club activities unless I am medically able and properly trained. I agree to abide by any decision of a race official relative to my ability to safely complete a run. I assume all risks associated with running and volunteering to work in club races including, but not limited to, falls, contact with other participants, the effects of weather, including high heat and/or humidity, the conditions of the road/trail and traffic on the course, all such risks being known and appreciated by me. I also realize that the North East Ohio Trail Club events are particularly arduous and often held in remote locations far from medical help and with rough footing and many dangers. Having read this waiver and knowing these facts, and in consideration of your acceptance of my application for membership, I, for myself and anyone entitled to act on my behalf, waive and release the Road Runners Club of America, the North East Ohio Trail Club, and all sponsors, their representatives and successors from all claims or liabilities of any kind arising out of my participation in these club activities even though that liability may arise out of negligence or carelessness on the part of the persons named in this waiver. Trail running is hard, tough, and I may get hurt. If I do get hurt, it is my own fault for being crazy enough to follow the North East Ohio Trail Runners in the first place."
